

The Release Condition for **Week 2** is to watch the videos available in **Week 1** and you need to submit the assessments given in the **Week 1**. The ✓ (Tick) mark is a symbol of completion of the content. The Release condition should be satisfied based on the ✓ (Tick) mark. (Below is the reference)

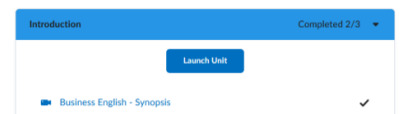

The same release condition method is applicable for **Week 3**

The Release Condition for “**Survey**” is to watch the videos in **Week 3** and submit the assessments given in **Week 3**. Once you complete the survey you will get access for **Week 4**.

The Release Condition for **Week 5** is to watch the videos available in **Week 4** and you need to submit the assessment given in the **Week 4**.

The ✓ (Tick) mark is a symbol of completion of the content.

The Release condition should be satisfied based on the ✓ (Tick) mark. (Below is the reference)

The rest of the weeks also released on the same condition like **Week 5**.

To get the access for a week you have to watch the video in the previous week and submit the assessments given in the previous week.
